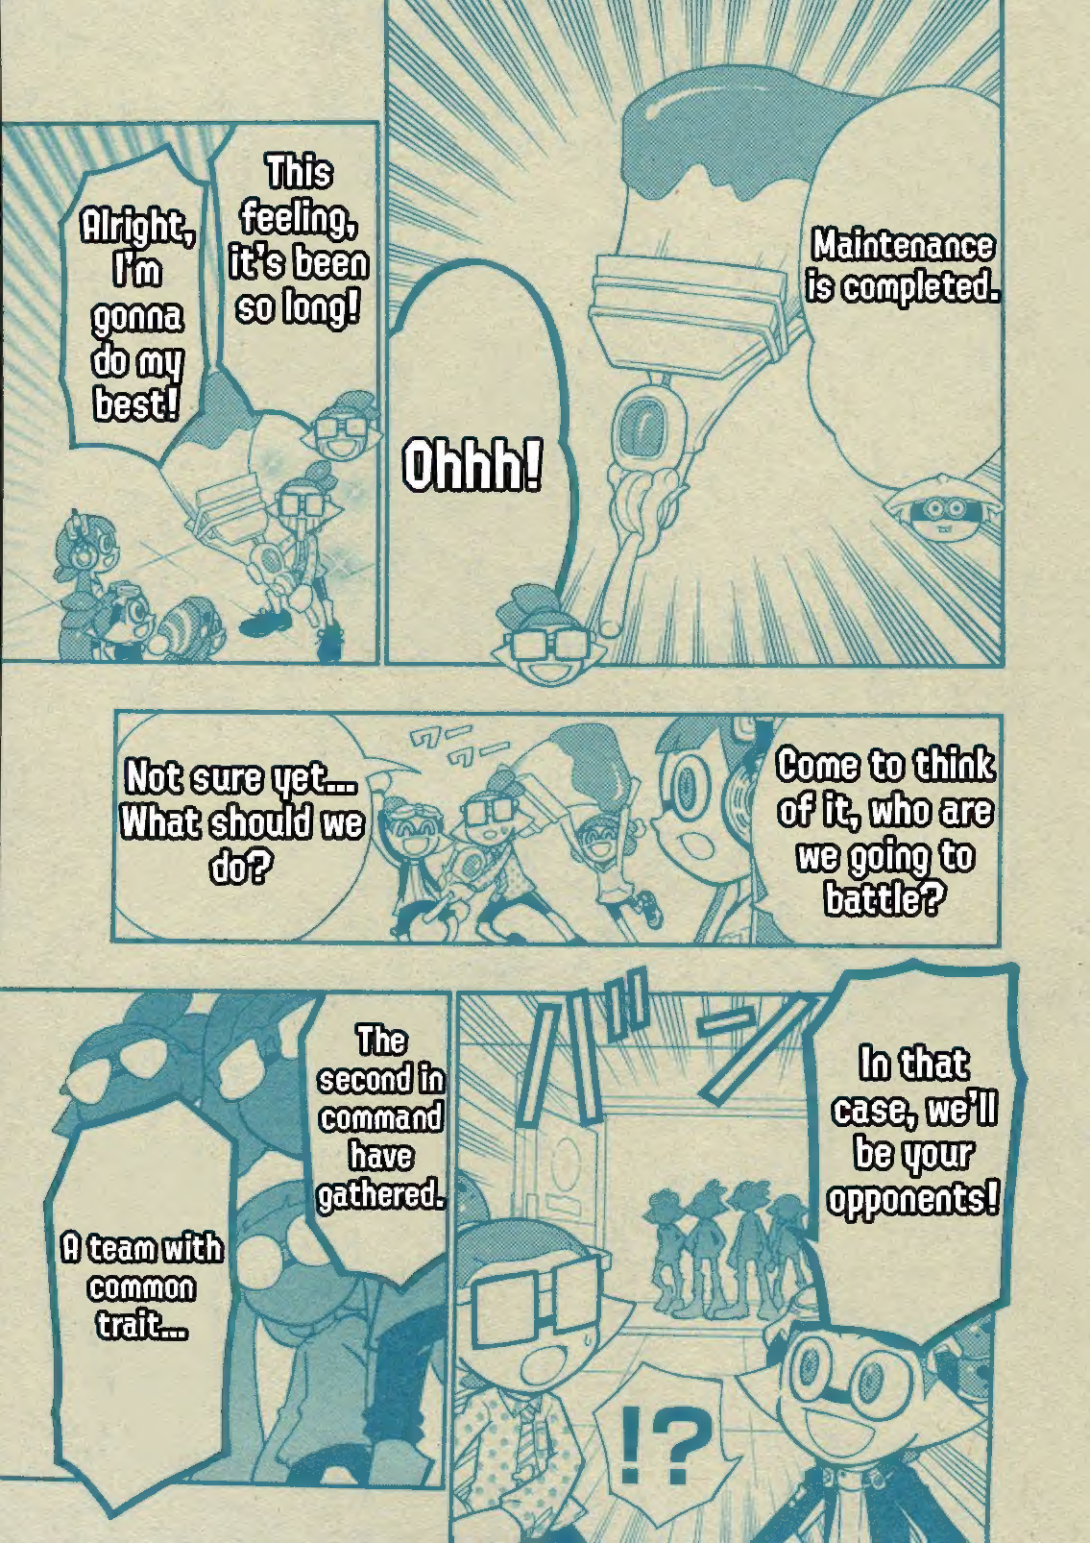
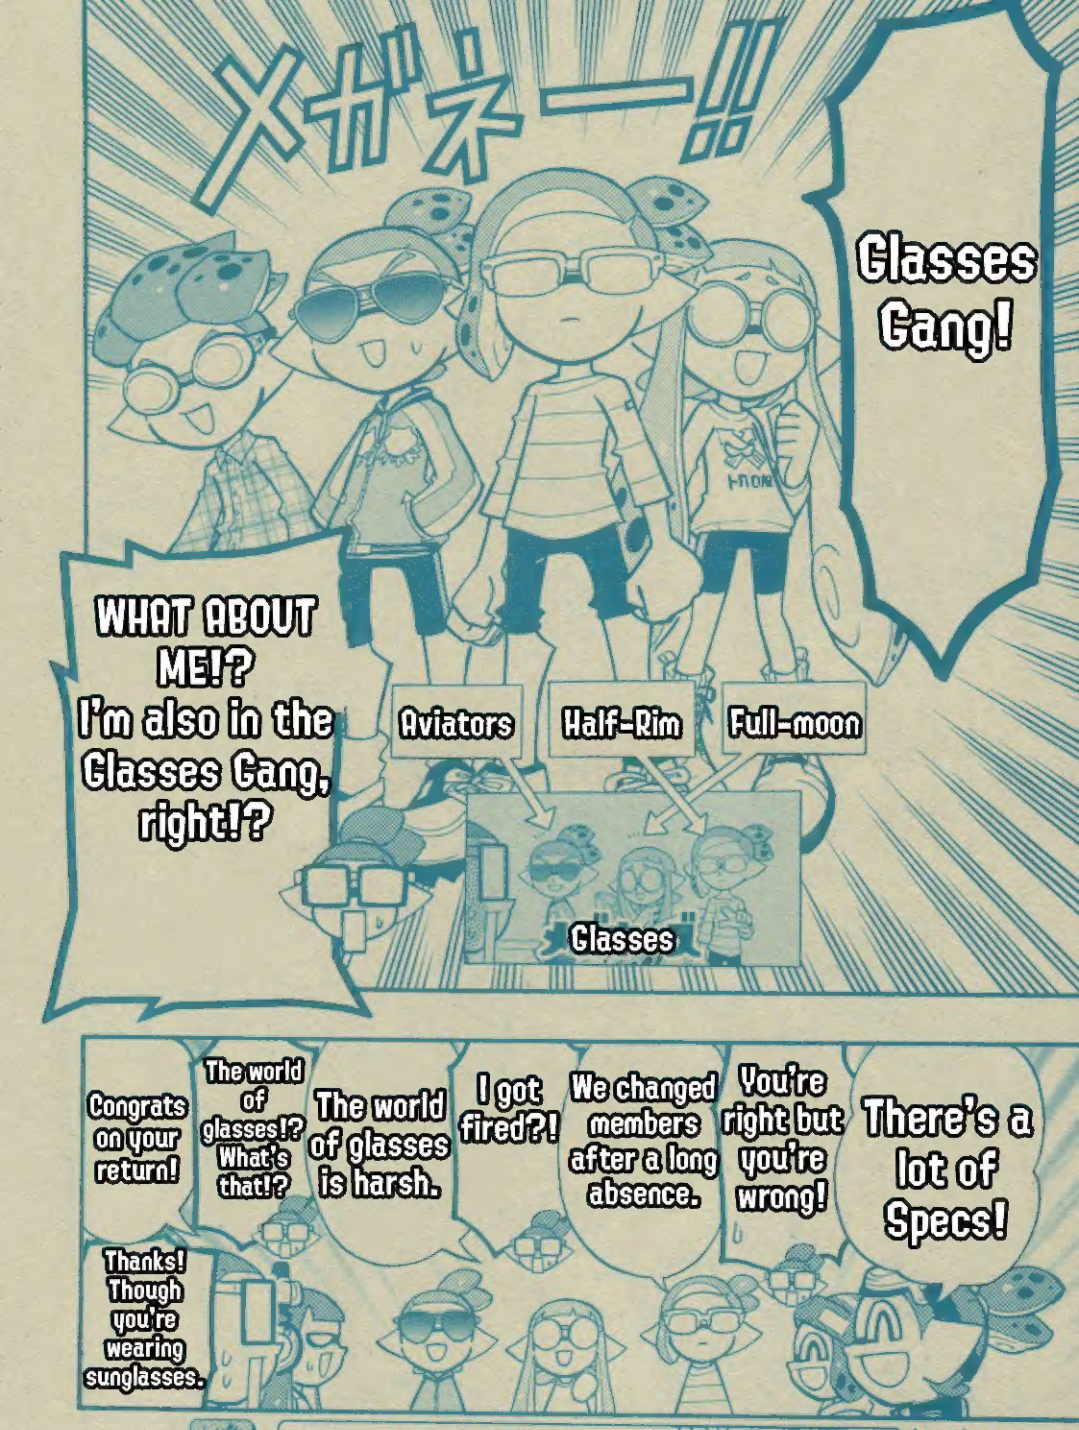
Ammo Knights
Good morning Sheldon!
Welcome!
There's so many weapons!
ばーん!
Whoa!
A natural tsukkomi! (straight forward)
That's right!
Well that's because it's a weapon shop.



Alright, I'm gonna do my best!
This feeling, it's been so long!
Ohhh!
Maintenance is completed.
Not sure yet... What should we do?
Come to think of it, who are we going to battle?
A team with common trait...
The second in command have gathered.
!?
In that case, we'll be your opponents!



メガネー!!
Glasses Gang!
WHAT ABOUT ME!? I'm also in the Glasses Gang, right!?
Aviators
Half-Rim

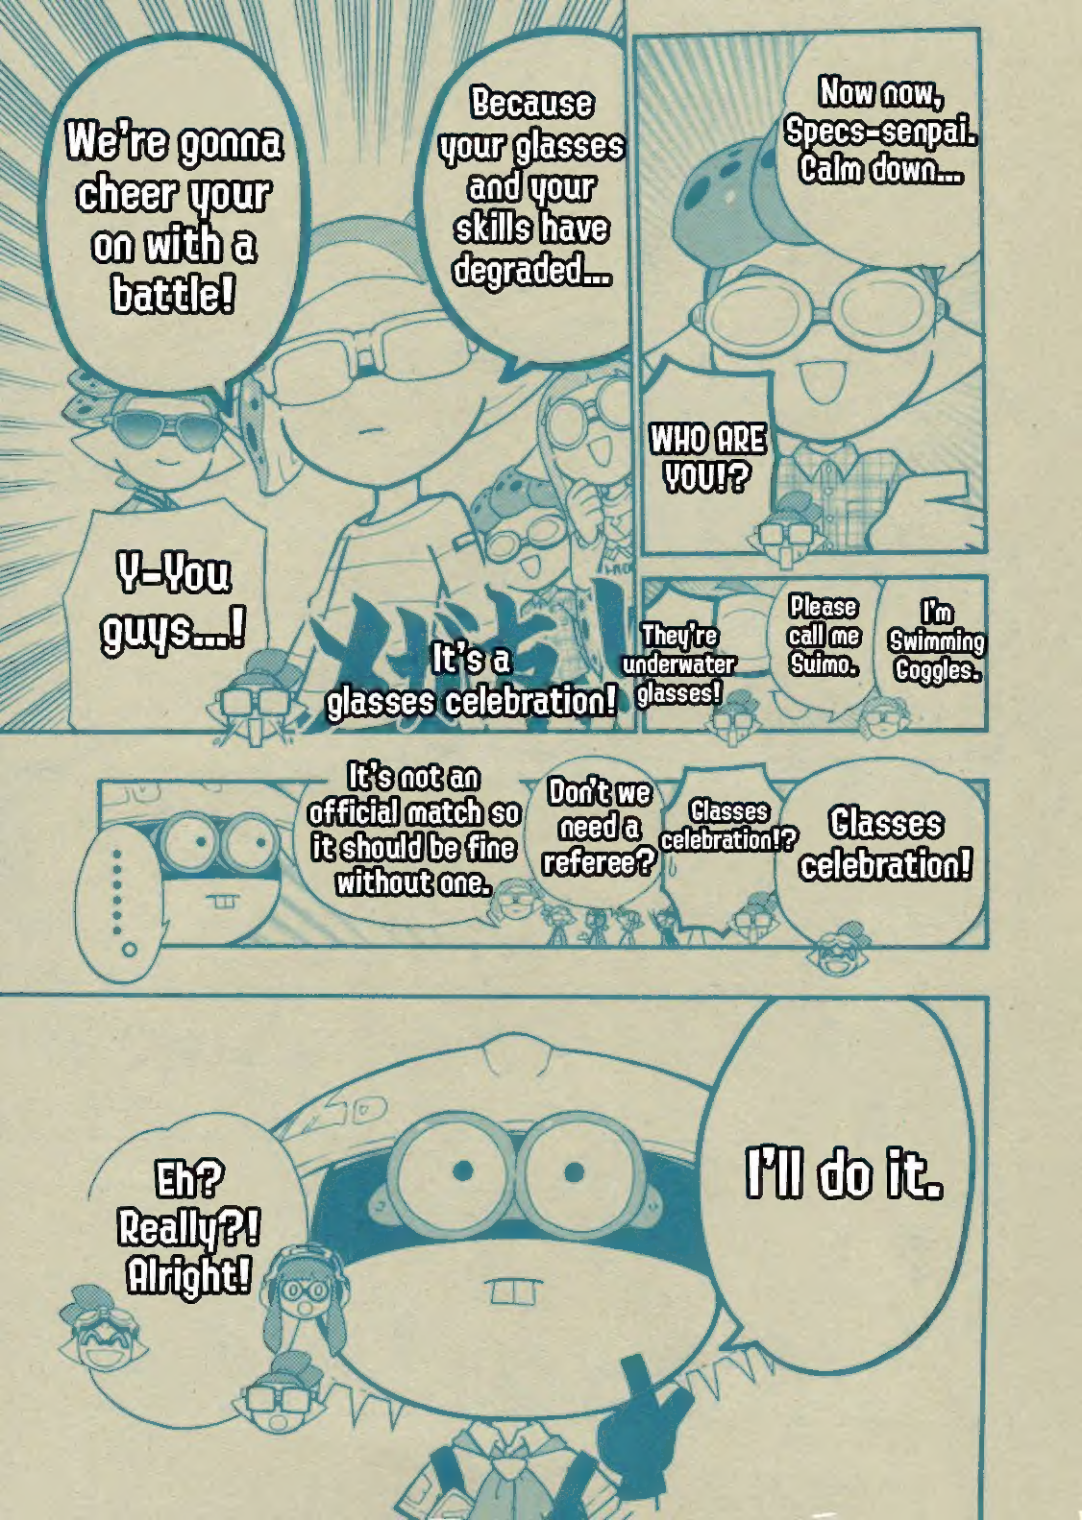
Glasses
Congrats on your return!
Thanks! Though you're wearing sunglasses.
The world of glasses!? What's that!?
The world of glasses is harsh.
I got fired?!
We changed members after a long absence.
You're right but you're wrong!
There's a lot of Specs!



We're gonna cheer your on with a battle!
Because your glasses and your skills have degraded...
Now now, Specs-senpai. Calm down...
WHO ARE YOU!?
Y-You guys...!
It's a glasses celebration!
They're underwater glasses!
Please call me Suimo.
I'm Swimming Goggles.
It's not an official match so it should be fine without one.
Don't we need a referee?
Classes celebration!?
Glasses celebration!
Eh? Really?! Alright!
I'll do it.

Snapper Canal
It's the river!
This stage is divided by a river and has differences in elvation.
It's easy to attack from high up or through wraparounds.
Listen!
DUCKS!
Also this place is ramble
ペペペ

YEAH!
Alright! Let's go, Blue Team!
READY!
GO!

Let's paint all over the place!
It's been a while since we had a turf war!
Don't paint me too!

I wonder about that!
He shouldn't be able to reach here!
ドドド
Let's create some distance!

Close-range
Long-range
The Squeezer can switch between two different ranges.
Rapid-fire at close range, and cover at long range. It's a useful multipurpose weapon.
It reached!
Yeah!
Let's scatter! Split up and paint!
You're not getting away.

メガネフォーメーション!!
Defeat them before they can split up!
Salvo attack!
The entire Blue Team was hit!

I don't do much support at all!
Might be 2nd in command, who knows.
We won't lose sight of our opponents' movements which are reflected in out glasses.
Those who support our leaders from the shadows.
Team Purple 2nd in command
Glasses gang are second in command of famous teams.
Team Cyan 2nd in command
Team Gloves 2nd in command
Glasses Gang!
They truly are strong...!

Crap, I can't see anything!
They're blind!

I'm fine too! My vision isn't bad, and I didn't drop my gear!
It's the collapse of the glasses festival
The holes are too small, I can't see!
Me too!
Specs, watch out!
